LUTESVILLE HIGH SCHOOL NOTES

The Senior English class has
completed the study of Macbeth
and will soon begin the study of
Hamlet. Each member of the
class is required to memorize
Hamlet's soliloquy. Last week in
a very interesting discussion Mr.
Myers compared for us the viewpoints
of Shakespeare's "Hamlet" and
the very different viewpoint of
Dickens' "Baron Grosvenor" as
regards suicide.

Miss Lilian Eldracher of Latin
a guest of Miss Eula Cole, visited
the school last Friday morning.

Mr. Bryan Zimmerman and Miss
Trilla Englehart were quietly
married last Wednesday morning
at 10:00. The High School ex-
tends its hope of a very happy
marital journey to these excellent
young people. Mr. Zimmerman is
identified with our memories of
former school days and his bride
was but last year, of the graduat-
ing High School class.

The second anniversary of semi-
tive day was commemorated at
school by a short program just
after noon recess. There was an
appropriate musical service and our
service flag was given a gold star,
significan of the falling in
battle of Mr. Barrett. This star
added to the constellation of 19
blue stars stands for the offering
of twenty noble young men from
our High School in the late war.
